Small Engines Overhaul · Unit 5 · Level 1

Carburetion & Fuel

TODAY'S PLAN

- 💧 Carburetor
- ⏳ Venturi
- 🚪 Choke
- ⛽ Fresh gas

Review · 5 minutes

Quick Review

🗜️ Compression means…?

⭕ What seals the piston?

📟 What reads pressure?

Words to Know

Words to Know

Carburetor
mixes air and gas

Venturi
a narrow spot that speeds up air

Choke
helps a cold start

Throttle
controls speed

Learn

The Carburetor

💧 The **carburetor** mixes air and gas.

🌬️ Lots of air, a little gas.

⚙️ The mix goes to the engine.

Learn

The Venturi

⏳ A **narrow** spot in the carburetor.

🌬️ Air goes **fast** there.

⛽ Fast air pulls up gas.

🃏 Check 1 of 2

Fast air in the venturi pulls up…
