- 📄 Resume and interview

Review · 5 minutes

Quick Review

🧤 Name 2 greenhouse safety rules.

🗺️ Where do tools go when you finish?

⭐ How many leadership points do we need?

Words to Know

Words to Know

Pomology

The science of growing tree fruits and nuts, like apples and walnuts.

Floriculture

The science of growing and selling flowers and potted plants.

Olericulture

The science of growing vegetable crops.

Landscape

Planning, planting and caring for lawns, trees and shrubs around homes and parks.

Words to Know

More Words to Know

🪴 **Nursery**: A business that grows young trees, shrubs and plants to sell.

🏡 **Greenhouse worker**: A worker who waters, transplants and cares for plants indoors.

📄 **Resume**: A one-page list of your skills, jobs and experience for an employer.

🤝 **Interview**: A meeting where an employer asks questions to choose a worker.

Learn

Branches of Horticulture

Pomology

tree fruits and nuts

Floriculture

flowers and potted plants

Olericulture

vegetable crops

Landscape & nursery

trees, shrubs, lawns

🃏 Check 1 of 3

The science of growing vegetables is…

Hold up 1, 2, or 3:

1️⃣ Pomology

2️⃣ Olericulture

3️⃣ Floriculture

Olericulture

Oleri = vegetables.

Learn

Outdoor Jobs

Landscapers, orchard workers, golf course and park crews work **outside**.

They use hand tools: pruners, shovels, rakes, trimmers.

Weather, sun and lifting are part of the job.

Learn

Indoor Jobs

Greenhouse workers water, transplant, and space plants in a warm, humid place.

Florists design arrangements; **garden center** staff help customers.

Salespeople need plant knowledge so they can give good advice.

🃏 Check 2 of 3

Why should a garden center salesperson know about plants?

Hold up 1, 2, or 3:

1️⃣ To charge more

2️⃣ Sales is only about money

3️⃣ To give customers correct advice

✅ Answer · Card 2 of 3

To give customers correct advice

Customers need good plant advice.

Learn

Local Business: Smith Gardens

A large greenhouse grower in our area.

Grows bedding plants and poinsettias for stores.

Jobs: growers, shippers, sales, maintenance.

Learn

Growing Industry

More people means more homes, yards and parks.

That means **more jobs** in landscaping and nurseries.

Horticulture also helps grow food.

Learn

Resume and References

A **resume** lists skills, experience and school.

References are adults who can say you work hard (ask first).

For class practice, leave off your home address and phone.

🃏 Check 3 of 3

What is a reference?

Hold up 1, 2, or 3:

1️⃣ An adult who can describe your work

2️⃣ A list of your favorite songs

3️⃣ Your password

✅ Answer · Card 3 of 3

An adult who can describe your work

Ask permission before listing someone.

Steps

Mock Interview

1. Greet and look at the interviewer
2. Answer: “Why do you want this job?”
3. Give one skill and an example
4. Say thank you

Wrap-Up

Recap
