🏷️ Plant ID Card: Lab Sheet

Horticulture 1 · Unit 4 · Level 3 · goes with Plant ID template (15 fields)

Name: _____

Question: Can you complete a 15-field Plant ID card for one bedding plant?

Materials

Plant ID template, bedding plant, ruler, camera

⚠️ Safety

- Hands away from face
- Wash hands after handling plants

Prediction

What growth habit do you think your plant has?

_____

_____

Procedure

1. Copy names from the tag.
2. Observe flower, leaves and habit.
3. Measure height.
4. Record light/water from the tag.
5. Write use and selling point.
6. Take 2 photos.

Data

Field	Your plant
Common name	
Scientific name	
Life cycle	
Growth habit	
Flower type	
Selling point	

Analysis (Claim, Evidence, Reasoning)

1. Claim: where should a customer plant this? Use evidence from your card (light, habit, height).
