Poinsettias

TODAY'S PLAN

- 🌺 Meet the poinsettia
- 🌙 Long nights
- 💧 Care
- 🛒 The sale

Review · 5 minutes

Quick Review

✂️ A cutting makes a copy.

🐣 Chicks are baby plants.

👉 Point: rooting powder needs 🧤 gloves or 🙌 bare hands?

Words to Know

Words to Know

Poinsettia
the red holiday plant

Bract
colored leaf, not a petal

Cyathia
the tiny yellow flowers

Short days
long nights make color

Learn

Poinsettia

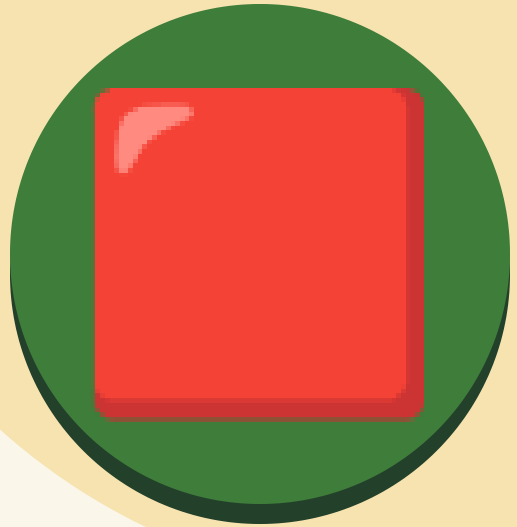

🌺 A red holiday plant.

🇲🇽 It comes from **Mexico**.

🛒 We sell them in December.

Learn

Red Leaves, Not Petals!

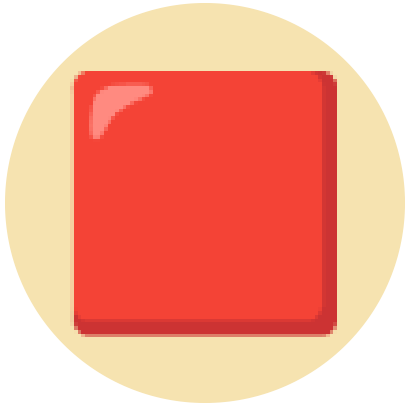

🟥 The red parts are **bracts** (leaves).

🟡 The real flowers are tiny and yellow.

🔍 Look in the middle!

🃏 Check 1 of 3

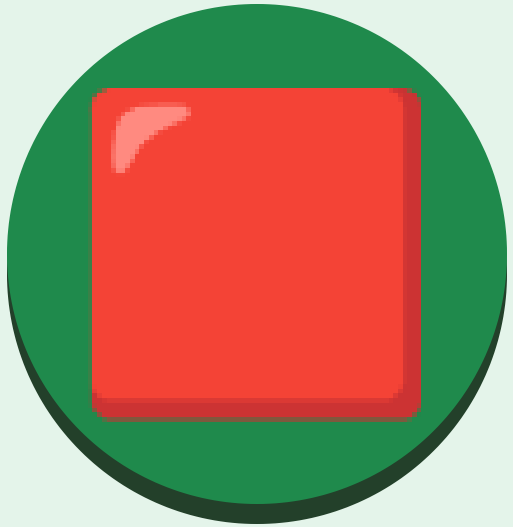

The red parts are…

Point to the picture!

🌸 Petals

🟥 Bracts (leaves)

✅ Answer · Card 1 of 3

Bracts (leaves)

Bracts are colored leaves.

Learn

Long Dark Nights

🌙 Poinsettias need **long dark nights**.

💡 No lights on at night!

🟥 Then they turn red.

🃏 Check 2 of 3

To turn red they need...

Point to the picture!

🌙 Dark nights

💡 Lights all night

✅ Answer · Card 2 of 3

Dark nights

Short days, long nights.

Learn

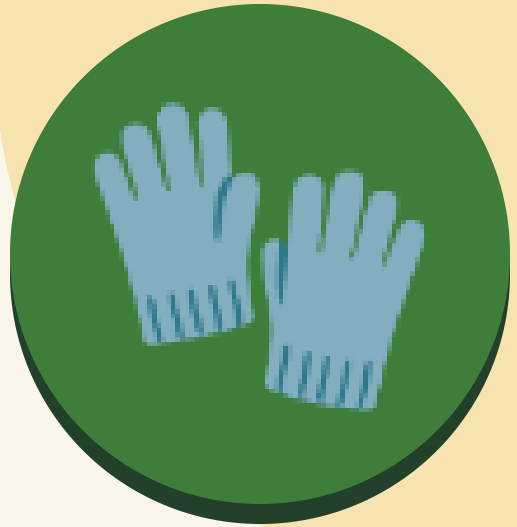

Care

- 💧 Water the **soil**, not the leaves.
- 🚫 Not too much water.
- ☀️ Bright light in the day.

Learn

Sap Safety

- The sap is **milky**.
- Gloves on. Don't rub eyes.
- Wash hands.

🃏 Check 3 of 3

If I touch the sap I...

Point to the picture!

🧼 Wash my hands

👁️ Rub my eyes

✅ Answer · Card 3 of 3

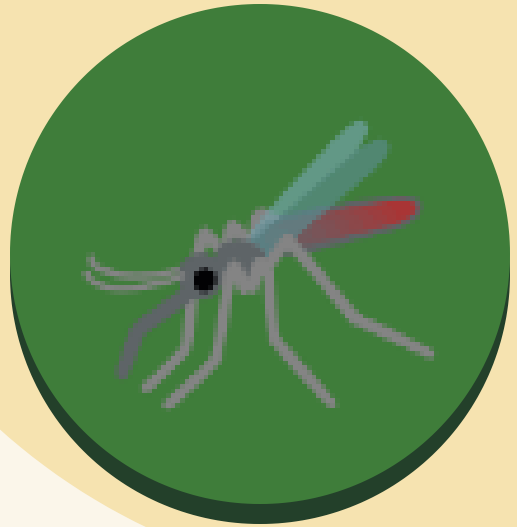

Wash my hands

Sap can sting eyes.

Learn

Bugs

🦟 **Whiteflies** are tiny white bugs.

🔍 Look under the leaves.

👩‍🏫 Tell an adult. Staff use sprays, not students.

Wrap-Up
