# 📖 Wreaths & Floral Design: Vocabulary Picture Cards (Level 2)

Name: _____

*Cut on the dashed lines. Use the cards to match, sort, or quiz a partner.*

## Floral design

The art of arranging flowers and greens so they look balanced and attractive.

## Wreath

A circle of evergreen branches, often decorated, hung on doors in winter.

## Swag

A bundle of branches tied at the top and hung flat on a door or wall.

## Floral wire

Thin wire used to attach bundles of greens to a wreath frame.

## Balance

A design principle: the arrangement looks evenly weighted.

## Focal point

The main spot in a design that draws attention.

## Succulent

A plant with thick leaves that store water, like jade or echeveria.

## Centerpiece

A floral arrangement for the middle of a table, like the harvest pumpkin.

## Pricing

Adding up the cost of materials and labor to set a selling price.
