📘 Lesson Plans: Monday, Nov 9, 2026 (🔵 Blue Day) · 👩‍🏫 SUB DAY (Grant out)

Grant Driver · Ferndale High School · Room 113 · 2nd lunch 12:20–12:50 · Regular bell schedule

Built Tue 11/3/26 (Co-Teacher) for Grant to review before Friday. Teacher key: *2026-11-09-teacher-key.md* / *.pdf*. Sub-ready plan: *2026-11-09-simple-plan.pdf* (leave this one for the sub). SEL deck *2026-11-09/sel-l1-how-would-i-feel-deck.pdf* (25 slides), printables *2026-11-09/sel-l1-how-would-i-feel-printables.pdf* (3 pp). Transitions deck *2026-11-09/transitions-l1-wash-rinse-dry-deck.pdf* (17 slides), printables *2026-11-09/transitions-l1-wash-rinse-dry-printables.pdf* (5 pp).

Time	Class
7:40–9:00	1st: no class of Grant's own
9:05–9:30	Eagle Time
9:35–10:55	2nd: SEL Level 1 (Understanding & Reading Others S4: 💭 **How Would I Feel?**)
11:00–12:20	3rd: Transitions Level 1 (Unit 2 Wk2: **Wash, Rinse, Dry** 🧼)
12:20–12:50	2nd lunch
12:55–2:16	4th: no class of Grant's own

📦 Grant's prep list (before you leave Fri 11/6)

☐ Print the sub plan (`2026-11-09-simple-plan.pdf`) and leave it on your desk with this folder · ☐ SEL printables: p1 Page 4 (1 per student), p2 sort mat + cards (1 per pair, cut), p3 backup cards (1 set) · ☐ goal cards out · ☐ Transitions printables: step cards ×2 sets (cut), step sign taped above the sink, warm-up page + Skill Card (1 per student) · ☐ plastic bowls, dry sponges, towels, an empty tub or two by the sink · ☐ both decks downloaded on the classroom computer (no login needed to show a PDF) · ☐ fill in the behavior / support table in the sub plan with two-letter codes · ☐ tell Darin the sink stays off unless staff run it.

Lesson 1: SEL Level 1 (Interpersonal Skills)

- **Date:** Mon Nov 9, 2026 · 🔵 Blue 2nd period · 9:35–10:55 (80 min)
- **Audience:** Level 1 (~3rd-grade reading level since 11/3: fuller sentences, 3 choices, a “why” step, one apply prompt per activity; emoji and picture supports, point / AAC responses)
- **Unit / Theme:** Social Awareness: “Understanding & Reading Others 👀” (Block 4, 8 sessions; lineup in `plans/ahead/2026-11-02-week/sel-social-awareness-lineup.md`), **Session 4 → 💭 How Would I Feel?**
- ✅ **Already taught (recall only, do NOT re-teach):** the Self-Management calm-down tools (see `taught-log.md`). **No new calming method.** This unit is about reading and responding to **other** people's feelings.
- 👩‍🏫 **Sub day:** the sub runs this from the sub plan. No Chromebooks, no form (do it Thu 11/12). The game is optional (only if the site has been published).
- **Focus:** Perspective 💭: the **same event** can make **different people** feel different ways. We think about what each person likes and what happened to them.
- **Objective:** I can pick from 3 how a person might feel about an event and say why. I can say how I would feel and why.
- **Transition Abilities link:** Social-Emotional Health → Social Awareness (reading others' feelings, empathy)

- **Materials:** deck `2026-11-09/sel-l1-how-would-i-feel-deck.pdf` (25 slides), goal cards, printables `2026-11-09/sel-l1-how-would-i-feel-printables.pdf` (3 pp: p1 notebook Page 4, p2 Clue Sort: One Snow Day ❄️ mat + 6 cut-apart cards, p3 backup Two People, One Event cards (4)), Reading Others Notebooks, pencils, glue and scissors.
- 🎮 **Game:** How Would They Feel? · Two People, One Event (4) · Clue Sort: One Snow Day ❄️ (sort, 6) · slide 23 has the QR code and link · Main block, 10 min. ⚠️ Built locally 11/3; **live only after Grant approves a site publish** (otherwise skip it and replay the backup cards). **No ORI Time** (removed 11/2 until Grant asks for it back).

🖥️ Slide deck (25 slides, SEL graphic style: cream, emoji circles, white cards) · `2026-11-09/sel-l1-how-would-i-feel-deck.pdf`

Check-in slides 1–3 · Last Time slides 4–5 · Learn slides 6–8 · Two People, One Event slides 9–17 (intro + 4 cards, each followed by its answer slide) · Recap slide 18 · 💭 Your Turn slide 19 · 🗂️ Sort slides 20–22 · 🎮 Game slide 23 · Notebook slides 24 · Closing slide 25 **Fallback (if the screen fails):** read the printed backup cards (printables p3) aloud; do the sort on paper (p2); skip the game and add its time to the notebook.

1. 📝 Check-In + Goal Card (10 min) · 9:35–9:45 (slides 1–3)

- **Sub day: no weekly form today** (no Chromebooks needed). Do the form on Thu 11/12 instead, or skip this week.
- **Goal card Week 3 box (slide 2):** students color 😊 yes / 😐 some / 😕 not yet for "Did I use my calm-down tool this week?"
- **Energy check (slide 3):** fingers 1–5 and one word. Verbal only, no written mood log. Staff note anyone at 1–2 for a quiet check later.

2. 🔁 Last Time Review: picture recall (5 min) · 9:45–9:50 (slides 4–5)

- **Last time:** Thu 11/5 (S3): Voice + Place Clues 🗣️📍 (loud, quiet, shaky voice; what happened; use 2 clues; notebook Page 3). ⚠️ Planned, not yet confirmed taught.
- **Point, sign, AAC, or say:** 1. 〰️ "Their voice is shaky. How might they feel?" 2. 📍 "What is a place clue?" 3. 🧩 "Why do we use 2 clues?"
- **Quick check:** the next slide shows the answers. (Answers are in the teacher key.)

3. 🔍 Main Block: 💭 How Would I Feel? + sort + game (40 min) · 9:50–10:30

Step	Time	What happens
Learn	7 min · 9:50	Slides 6–8. See the script below.
Two People, One Event (deck cards)	10 min · 9:57	Slides 9–17. Read each card aloud. Students vote 1, 2, or 3 on fingers, or point, then one student says why. Click to the answer slide.
Recap + 💭 Your Turn	3 min · 10:07	Slide 18: read the recap together. Slide 19 (apply): 🎉 Surprise party in a loud room: How would you feel? Why? How might a friend who does not like loud rooms feel? Take 2–3 answers; push for the because.
🗂️ Clue Sort: One Snow Day ❄️ (deck + paper sort)	10 min · 10:10	Slide 20: read the steps. Slide 21: read each card; students show 2 choices on fingers, then one says why. Slide 22: check the sort. Then pairs do the paper sort (printables p2) and the partner task: 🗣️ Pick one card. Say: “This person might feel ___ because ___.” Short on time: slides only.

Step	Time	What happens
🎮 **Review game: How Would They Feel?**	10 min · 10:20	Slide 23 (QR + link): https://grantdriver.github.io/games/sel-social-awareness-how-would-i-feel-L1.html. Big screen, F11. Students vote or point first, then a volunteer taps; staff tap 🔈 Read. If the site won't load, replay the backup cards (p3) and add the time to the notebook.

- **Script (slide 6):** "Today we think about **other people**. 💭 The same thing can happen to two people, and they can feel different. When it rains, one person is sad and one person is happy. Both feelings are OK."
- **Script (slide 7):** "Why? People like different things ❤️, and different things happened to them before ⏪. A person who loves dogs feels happy when a dog runs over. A person who is afraid of dogs feels scared."
- **Script (slide 8):** "To think about another person, look for clues 👀, then ask: what do they like? What happened to them? Then say: 'They might feel ___ because ___.'"
- **Quick check:** "Pizza for lunch! 🍕 Show me a face for someone who **loves** pizza. Now show me a face for someone who **does not like** pizza." Students show faces; take 2 "because" answers.

Two People, One Event cards (answers): 1. 🐶 A big dog runs into the park. Person 1 loves dogs. Person 2 is afraid of dogs. How might Person 2 feel? → 😨 **scared** (Person 2 is afraid of dogs. Person 1 might feel happy. Same dog, different feelings!) 2. 🍕 Lunch is pizza today. Person 1 loves pizza. Person 2 wanted tacos. How might Person 1 feel? → 🤩 **excited** (Person 1 loves pizza. Person 2 might feel a little disappointed.) 3. 🔔 The fire drill bell rings. Person 1 does not mind it. Person 2 does not like loud sounds. How might Person 2 feel? → 😟 **nervous** (Loud sounds bother Person 2. Person 1 might feel OK.) 4. ⚽ The game ends. Team A wins. Team B loses. How might a player on Team B feel? → 😢 **sad** (Team B lost. (Mad is OK with a reason.) Team A might feel excited.)

🗂️ **Clue Sort: One Snow Day ❄️ (answers; also in the teacher key):** 1. 🛷 They love sledding. → 😊 **Happy about snow** 2. 🚌 Their field trip is canceled. → 😢 **Upset about snow** 3. ☕ They like to rest at home. → 😊 **Happy about snow** 4. 🥶 They hate being cold. → 😢 **Upset about snow** 5. ⛄ They want a snowman. → 😊 **Happy about snow** 6. 🏀 Their big game is canceled. → 😢 **Upset about snow** - The same snow day can make people feel different. Both feelings are OK.

Sentence starters: "They might feel ___ because ___." 😊😢😨 · "I would feel ___ because ___." 💭 · "Person 1 feels ___, but Person 2 feels ___." 🤔 **Word bank:** 😊 happy · 😢 sad · 😠 mad · 😨 scared · 🤩 excited · 😟 nervous · 💭 feel · ❤️ like · ⏪ happened · because · different - **Scaffolding:** read-aloud cards · point-to or AAC voting · sentence starters · word bank · staff scribe · reduced set (cards 1 and 3) · feelings described in words, never photos of classmates.

4. 📒 Project: Notebook Page 4 (15 min) · 10:30–10:45 (slides 24)

- Page 4 (printables p1, Name line): draw or glue one event (use a card from p3 or the snow day), **circle a feeling face for Person 1 and Person 2**, then write or trace "They might feel ___ because ___" for each. Last box: "I would feel ___ because ___." Staff scribe or read. **Apply:** tell a partner how you would feel and why (3 min, option to pass).
- The **Reading Others Notebook** is this unit's multi-week project (one page per session, shared at S8).

5. 👋 Closing (10 min) · 10:45–10:55 → dismiss 10:55

- **Exit (slide 25):** each student finishes "One thing that can make 2 people feel different is ___" (what they like, what happened). Say, show, or point. Option to pass.
- **Preview:** "Thursday: Showing I Care 💛." Notebooks in folders. (Time math: check-in 10 + review 5 + main 40 + project 15 + closing 10 = 80 min. No ORI Time, removed 11/2 at Grant's request.)

✅ Measurable Mastery Criteria

- **80% of students** name a feeling and a voice or place clue in the Last Time review (say, point, or AAC).
- **80% of students** pick the right feeling from 3 choices **and** give a reason on at least **3 of 4** Two People, One Event cards.
- **80% of students** say how they would feel and why on the Your Turn slide (sentence starter as needed).
- **90% of students** finish Page 4 with two circled faces and at least one because sentence (written, traced, or scribed).

🧰 Accommodations

Read-aloud cards · scribe or speech-to-text · point-to / AAC voting · sentence starters and word bank · reduced card set · staff act out feelings (students never have to act out their own feelings) · option to pass on sharing · fidgets · headphones · quiet space / reset pass · extra time per IEPs.

📋 Materials Checklist

☐ Deck (or printed backup cards) ☐ 🗂️ Sort mat + cards (printables p2, 1 per pair, cut ahead) ☐ 🎮 Game link tested (only if published) ☐ Goal cards ☐ Notebook page (sel-l1-how-would-i-feel-printables.pdf p1) ☐ Pencils ☐ Glue sticks + scissors

---

Lesson 2: Transitions Level 1

- **Date:** Mon Nov 9, 2026 · 🔵 Blue 3rd period · 11:00–12:20 (80 min) → 2nd lunch after
- **Audience:** Level 1 (~2nd-grade reading level, picture and emoji supports, predictable routine)
- **Roadmap Focus:** Unit 2 Independent Living Skills · Week 2 Hand dishwashing (Session A of 2)
- **Topic: Wash, Rinse, Dry** 🧼🚿🌬️: putting the 6 dishwashing pictures in order, watching Grant wash, and washing 2 plastic bowls with help ("we do")
- **Objective:** I can put the 🧼 wash, 🚿 rinse, 🌬️ dry pictures in order. I can wash a bowl with help.
- **Core Skill Area:** Independent Living → Kitchen Chores (hand dishwashing). Builds on Thu 11/5 cooking lab "Hot Ham and Cheese Sandwich 🥪" (we wash the dishes we would use when we cook). (Changed 10/30: Grant swapped 11/5 to a cooking lab; Sort Utensils 🍴 moved to Fri 11/20, so step 6 🗄️ put it away is taught before the sort lesson.) Sets up Thu 11/12 full-task practice.
- **Materials:** 6 dishwashing step cards (2 sets, print and cut), sink in Room 113 (or 2–3 plastic tubs on a table with a towel underneath), dish soap ⚠️, sponges, nitrile gloves (optional), clean plastic bowls, cups, and spoons, drying rack, dish towels, thermometer or adult wrist test, Skill Card "Wash 🧼 Rinse 🚿 Dry 🌬️", Check-In Page, "I need help" card 🟨, transition binders; **deck** `2026-11-09/transitions-l1-wash-rinse-dry-deck.pdf` (17 slides); **printables** `2026-11-09/transitions-l1-wash-rinse-dry-printables.pdf` (5 pp: pp1–2 six big dish step cards (print 2 sets, cut), p3 step sign to tape above the sink, p4 Put in Order warm-up page (Name line, 4 cut-out pictures), p5 Skill Cards (Name line, 3 per page))
- 🎬 **Video:** Kitchen Chores - Independent Living & Life Skills Lesson · Transition Abilities · 4:53 · play 2:36–3:00 only · **Level:** L1 · **Where:** Guided Practice, timed step "🎬 Video" (2 min, minutes trimmed from practice so the period total is unchanged) · **Why:** Short, clear wash–rinse–dry model right before the step cards. · Captions on; preview it first.
- 📝 **Name line (10/30 rules):** every student printable today (the Skill Card "Wash 🧼 Rinse 🚿 Dry 🌬️" and the 4-card warm-up sequencing strip) has **"Name: _____"** at the top. It replaces any "My code" box. Students write their own name by hand; no student names or codes are printed on any page. Cut class-set cards and posted step cards need no Name line.

- 🎮 **Game idea (10/30 rules): Dish Steps in Order** (order, L1, big pictures): Order round: tap the 6 dishwashing pictures in order: 🧤 gloves on (if I want) → 🚰 fill warm water + soap → 🧽 scrub → 🚿 rinse → 🌬️ dry or rack → 🗄️ put away. Match round (open, 3 pairs): 🧽 sponge ↔ "scrub" · 🚿 water ↔ "rinse" · 🌬️ towel ↔ "dry". Play it on the big screen in the Wrap-Up (about 3–4 min, inside the Wrap-Up's existing minutes, so the period total is unchanged) or as the early-finisher extension. The daily build adds an unnumbered 🎮 Game slide with the QR code right before the Wrap-Up slides, so the slide numbers below stay the same. Answers are in the teacher key.
- 🎮 **Game:** Dish Steps · Dish Steps in Order (order, 6 steps) · Tool and Job (open match, 3) · Clean or Not Yet? (4) · slide 16 · ⚠️ built locally 11/3; **live only after Grant approves a site publish** (skip it if the link doesn't load).
- Deck style: templates/deck_style_ferndale.py (Ferndale cream style, navy and gold; supersedes the older "navy background" note in the deck outline below.)

🖥️ Slide deck (17 slides, Ferndale cream style) · `2026-11-09/transitions-l1-wash-rinse-dry-deck.pdf`

1. Title 🧼 + picture agenda · 2. Check In 😊 (1–5) · 3. Last Time: Our Sandwich 🥪 · 4. Learn the Words 📖 · 5. Stay Safe 🦺 · 6. Put in Order 🔢 · 7. 🎬 Video: Kitchen Chores (QR, play 2:36–3:00 only) · 8–13. Step 1–6 of 6 (one dish step per slide) · 14. Watch Me 👀 · 15. Do It Together 🤝 (with the no-water pretend option) · 16. 🎮 Game: Dish Steps (QR) · 17. Show Me ✅

Fallback (if the screen fails): tape the 6 printed step cards on the whiteboard in a row above the sink, and hold up each card for the whole-class review. The printable step-card set (6 cards, 2 sets) is the backup for slides 8–13.

🧑‍🏫 Sub-day version (Mon 11/9, Grant out): sub-safe

- **Default for the sub: the no-water “pretend wash.”** Empty tub or empty sink, dry sponge, plastic bowls. Students do every step with motions (“fill” = point to the tap, “scrub” = scrub with the dry sponge, “rinse” = pretend, “dry” = wipe with a towel, “put away” = stack on the rack). No soap, no water, no thermometer needed.
- **Wet practice only if a Room 113 staff member who knows the sink routine leads it** (staff fill the water, check it is warm, and control the soap). The sub does not run the sink alone.
- The “I do” model is done by the sub or staff with the step sign (printables p3) and the pretend motions. Thursday 11/12 (Grant back) is the real full-task practice, so nothing is lost.
- Data: staff note the prompt level by two-letter code on the we-do log (teacher key) for pretend washing too; mark it “dry practice.”

1. ☀️ Warm-Up (10 min) · 11:00–11:10

- **Goal:** Recall last week's cooking lab and order the new step pictures.
- **Teacher Script:** "Hi everyone! 👋 Last week you made a hot ham and cheese sandwich. 🥪 Today is job 2: **washing dishes** 🧼. Let's check in first. 😊"
- **Steps:** 1. Check-In Page: point to or circle 1–5 (slide 2). 2. Sequencing cards: each table gets 4 big cards (🧼 wash, 🚿 rinse, 🌬️ dry, 🗄️ put away) scrambled. With an adult, students put them in order. 3. Show slide 4. Say each word together and act it out.

2. 🔁 Last Time Review (5 min) · 11:10–11:15

- **Last time (L1):** Thu 11/5: **Cooking Lab: Hot Ham and Cheese Sandwich** 🥪 (Accessible Chef picture recipe, microwave 30 seconds). (Changed 10/30; was Sort Utensils, now Fri 11/20.)
- **Goal:** Picture and emoji recall of what this class did last session. No re-teaching.
- **Teacher Script:** "Last time we **cooked** a hot ham and cheese sandwich 🥪. Let's remember!"

- **Recall (point, sign, AAC, or say; slide 3):** 1. 🧼 "What do we do **first**, before we cook?" 2. 🧀 "Point to the **cheese**." (choice of 2: 🧀 / 🍞) 3. 🚫 "Can metal go in the microwave? 👍 or 👎"
- **Quick check:** Show the 3 Part pictures (🍞 make it, 📡 cook it, 😋 eat it) mixed up. Students point to the first one.
- Answers are in the teacher key ("Last Time review").

3. 📣 Direct Instruction (15 min) · 11:15–11:30

- **Teacher Script:** "Washing dishes has **6 steps**. Watch me. 🧤 **One:** gloves on, if I want. 🚰 **Two:** fill with warm water and 1 squirt of soap. 🧽 **Three:** scrub the dish. 🚿 **Four:** rinse in clear water. 🌬️ **Five:** dry it or put it on the rack. 🗄️ **Six:** put it away."
- Show slides 5–13 (safety, then the 6 step cards in order).
- **I do (model at the sink or tub):** The teacher (sub or staff) washes 2 plastic bowls (pretend wash on the sub day), pointing to each step card first: "Step 3. 🧽 I scrub inside and outside. Is it clean? I look. ✅ Step 4. 🚿 I rinse so no soap is left."
- **Safety:** an adult fills the water and checks it is warm, not hot (thermometer or wrist test). ⚠️ Dish soap use: District product rules unknown, Grant to confirm.
- **Quick check:** "Point to **rinse** 🚿." "What comes after scrub? Point."

4. 🧩 Guided Practice / Application (35 min) · 11:30–12:05

Step	Time	What happens
🎬 **Video: Kitchen Chores**	2 min	Kitchen Chores - Independent Living & Life Skills Lesson (4:53; play 2:36–3:00 only). Play only the "Number three, wash dishes" part (2:36–3:00). Then act it out together: 🍽️ scrape → 🧼 wash → 🚿 rinse → 🌬️ dry. If YouTube is blocked or the video won't load, skip it and add the 2 min to the next step.
Whole-Class Card Review	6 min	Slides 8–13, one card per slide, shown scrambled. Students say or point to "first, next, last." Then show them in order and count 1–6 together.
Table Order	5 min	Pairs (with an adult) put the 6 printed step cards in order, then check with the Skill Card.
We Do at the Sink	17 min	Groups of 2–3 take turns at the sink or tub with an adult. Each student washes 2 plastic bowls, following the step cards taped above the sink. Adult points to each step (fade to a gesture). Hand-over-hand only if the IEP says so. Others practice ordering cards or dry and rack. ⚠️ Dish soap: District product rules unknown, Grant to confirm.
Reset	3 min	Students help empty the tub or drain the sink, hang towels, and stack the rack. Wash hands. ⚠️ Hand soap: District product rules unknown, Grant to confirm.
Transition	2 min	Step cards back in bins, return to seats.

Dishwashing step cards (order is in the teacher key): 1. 🧤 Gloves on (if I want). 2. 🚰 Fill: warm water + 1 squirt of soap. 3. 🧽 Scrub the dish. 4. 🚿 Rinse in clear water. 5. 🌬️ Dry it or put it on the rack. 6. 🗄️ Put it away.

Sentence starters: "First I ___." · "Next I ___." · "Last I ___." · "Is it clean? 👀" · "I need help, please. 🟨"

- **Scaffolding:** Step cards taped above the sink in a row. Big pictures, one word each. Reduced set for ordering (3 cards: wash, rinse, dry). Errorless option: match each card to the same picture on the Skill Card. Hand-over-hand only if the IEP says so. Gloves offered for touch sensitivity. Point-to or AAC responses count.
- ⚠️ **Product use today:** dish soap (1 squirt per tub or sink) and hand soap. District product rules unknown, Grant to confirm. Check soap and fragrance allergies first. Adult controls the soap bottle.

5. 🗂️ Wrap-Up & Reflection (15 min) · 12:05–12:20

- **Share-Out (8 min):** Each student shows their Skill Card and points to the step they liked best (option to pass).
- **Exit Check (4 min):** Show 3 cards (🚿, 🧽, 🌬️). Students point to "which comes first?" (🧽), then "which is last?" (🌬️).
- **Clean-Up (3 min):** Skill Cards into **transition binders**, dish towels to the laundry basket, step cards back in bins.
- **Teacher Script:** "Great washing! 🌟 Wash 🧼, rinse 🚿, dry 🌬️. On Thursday you wash 3 dishes by yourself. Binders away, push in your chair, and line up for lunch. 🥪"

6. ⏳ Extension (early finishers only; no set time)

"Clean or Not Yet?": The teacher shows 3 bowls (one with a smudge); students give 👍 "clean" or 👎 "wash again." (Time math: 10 + 5 + 15 + 35 + 15 = 80 min. The 5-minute Last Time review (Grant's 10/21 rule) comes from the Buffer / Extension block, the least critical section; its activity stays as an early-finisher option only.)

✅ Measurable Mastery Criteria

- **80% of students** put at least **4 of 6** step cards in the right order (with or without picture matching).
- **100% of students** wash **2 bowls** with adult help (any prompt level), and staff note the prompt level by two-letter code.
- **100% of students** point to the first step (🧽 among the 3 exit cards) correctly. (The Week 2 skill mastery, 5 of 6 steps with at most 1 gesture prompt on 2 of 3 tries, is measured Thursday.)

🧰 Accommodations

Step cards above the sink · big pictures, one word each · AAC / point-to · read-aloud · errorless matching · reduced set (3 cards) · nitrile gloves · hand-over-hand only if in the IEP · fidgets · noise-canceling headphones (running water can be loud) · quiet space / 3-minute reset pass · extra time · option to pass during share.

📋 Materials Checklist

☐ Deck (or whiteboard cards) ☐ 6 step cards (2 sets, cut) + 1 set taped above the sink ☐ Sink or 2–3 tubs + towels underneath ☐ Dish soap (⚠️ district rules unknown) ☐ Sponges ☐ Nitrile gloves ☐ Clean plastic bowls, cups, spoons ☐ Drying rack ☐ Dish towels ☐ Thermometer or wrist test ☐ Skill Cards "Wash 🧼 Rinse 🚿 Dry 🌬️" ☐ Hand soap (⚠️ district rules unknown) ☐ "I need help" cards 🟨 ☐ Transition binders ☐ 🎬 Video link tested (Video slide 7 has the QR) - Optional purchase (needs Grant's approval, do not buy): Attainment Living on Your Own ("Doing Dishes") or Transition Abilities Household Chores Unit (Kitchen Chores), teacher reference only.

⚠️ Notes for Grant to check

1. **Blue Day confirmed** from the calendar image (Nov 9 = Blue, full day, regular bells). **Wed 11/11 is Veterans Day (no school).** No FHS event listed for 11/9.
2. **You are out; a sub teaches.** The sub plan is plain-language and needs only the two PDF decks on the big screen. Everything has a paper fallback.
3. **SEL L1 is S4 How Would I Feel?** (perspective: same event, different feelings). It assumes S3 Voice + Place Clues was taught Thu 11/5. No ORI Time. **No weekly form on the sub day** (no Chromebooks); goal card Week 3 box only. Do the form Thu 11/12 if you want the data.

4. **Transitions defaults to a no-water “pretend wash” for the sub.** Wet practice only if Room 113 staff who know the sink lead it. Thu 11/12 is the full-task practice anyway.
5. **IEP week:** W.S. and A.F. meetings are Tue 11/10 (10:00 AM and 2:30 PM). Nothing in this plan depends on them.
6. **Games are built locally only** (`games/sel-social-awareness-how-would-i-feel-L1.html`, `games/transitions-unit2-dish-steps-L1.html`). They will not load from the QR codes until you approve a site publish. Both plans work without them.
7. **Behavior / support notes:** I don't have student-specific notes, so the sub plan has a blank table for you to fill in by two-letter code.
8. (Transitions pre-build) ⚠️ **Products used: dish soap and hand soap.** District product rules unknown, Grant to confirm before this lesson. Check soap and fragrance allergies.
9. (Transitions pre-build) **Sink or tub:** Room 113 has a sink; tubs on a table let more students work at once. Grant's choice. Staff count is unknown; "We Do at the Sink" assumes 1 adult per 2–3 students.
10. (Transitions pre-build) **Everyday Speech "Following Directions"** is listed for the Week 2 intro in the unit plan as a resource; it is not built into this session's timing.
