Sub Plan: Monday, Nov 9, 2026

🔵 Blue Day · Regular bells · Room 113 · Mr. Driver

Thank you for covering! If you need anything, ask **Darin Somers (Room 113)**, **Luke Duchesne (Room 109)**, or **Brandi in the main office**. Classroom staff know the students and the routines, so lean on them.

Time	What
7:20	Arrive. The **sub folder** is on Mr. Driver's desk (this plan + all printed pages).
7:40–9:00	1st: no class for Mr. Driver. Ask Darin or Luke if they need help. If not, check in with Brandi in the office.
9:05–9:30	Eagle Time (ask Darin what Eagle Time does today)
9:35–10:55	**2nd: SEL Level 1** (page 1)
11:00–12:20	**3rd: Transitions Level 1** (page 2)
12:20–12:50	Lunch (2nd lunch)
12:55–2:16	4th: no class for Mr. Driver. Ask Darin or Luke if they need help.
2:16	Help students get safely onto the buses.

The only tech today: two slide decks (PDFs) on the big screen. Open them from the classroom computer's Downloads folder (or ask Darin). **No Chromebooks. No logins.** If the screen won't work, use the paper copies in the folder; every activity works on paper.

Every class, all day: Talk slowly and use short sentences. Show the picture and point. Students can answer by **saying, pointing, signing, or using their talker (AAC)**. Fidgets, headphones, extra time, and a 3-minute reset pass are always okay. **Students may always pass** on sharing. Praise effort: "Nice thinking!" "Good try!"

2nd Period: SEL Level 1 (9:35–10:55)

Today: "How Would I Feel?" Students learn that **the same thing can make two people feel different** (one person loves dogs, one is afraid of dogs). **Do not teach any new calm-down tools.**

Slides: `sel-l1-how-would-i-feel-deck.pdf` (25 slides). Click forward one slide at a time.

Have out: goal cards · Page 4 sheets (1 per student) · sort mats + cut cards (1 set per pair) · 1 set of backup cards · pencils, glue, scissors · notebooks (in student folders)

1. **Check in (10 min, 9:35). Slides 1–3.** Slide 2: students color the **Week 3** box on their goal card (😊 yes / 😐 some / 😕 not yet: "Did I use my calm-down tool this week?"). Slide 3: "Show me your energy, 1 to 5, on your fingers. Say one word." **No form today. Do not write down feelings.**
2. **Review (5 min, 9:45). Slides 4–5.** Read the 3 questions on slide 4. Students answer, then show slide 5. (Answers: shaky voice = scared or nervous · a place clue = what happened or where they are · 2 clues = a better guess.)
3. **Learn (7 min, 9:50). Slides 6–8.** Read each slide out loud. Say: **"The same thing can happen to two people, and they can feel different. Both feelings are OK."** On slide 8 say: **"Look for clues. Then ask: What do they like? What happened to them?"**
4. **Cards (10 min, 9:57). Slides 9–17.** Read each card out loud. Say: **"Show me 1, 2, or 3 fingers."** Then ask one student, **"Why?"** Click to the next slide to show the answer. (Answers: 1 scared · 2 excited · 3 nervous · 4 sad.)
5. **Your Turn (3 min, 10:07). Slides 18–19.** Read slide 18 together. On slide 19 ask: **"How would YOU feel at a loud surprise party? Why?"** Any feeling with a reason is right.
6. **Snow Day Sort (10 min, 10:10). Slides 20–22.** Read each card on slide 21. Students show **1 finger = happy about snow** or **2 fingers = upset about snow**. Slide 22 shows the answers. Then pairs sort the paper cards on the mat. (Happy: loves sledding, likes to rest at home, wants a snowman. Upset: field trip canceled, hates the cold, big game canceled.)
7. **Game (10 min, 10:20). Slide 23. Optional.** If the QR link opens, play it on the big screen. **If it does not open, skip it.** Read the backup cards again instead, or give extra notebook time.
8. **Notebook Page 4 (15 min, 10:30). Slide 24.** Students draw or glue what happened, circle a face for Person 1 and Person 2, and write or trace "They might feel ___ because ___." Last box: "I would feel ___ because ___." **Staff can write for students.** Then students tell a partner (they can pass).
9. **Closing (10 min, 10:45). Slide 25.** Each student finishes: "One thing that can make 2 people feel different is ___." Collect Page 4 into notebooks. Dismiss at 10:55.

Note for the sub: Keep it predictable and visual. Point to the pictures. Don't be afraid to call on quiet students, but always let them pass or come back later.

3rd Period: Transitions Level 1 (11:00–12:20)

Today: "Wash, Rinse, Dry." Students learn the **6 steps to wash a dish** and practice them.

⚠️ **Today is a "pretend wash" day: no water and no soap.** Use an empty tub, a dry sponge, and plastic bowls. Students do the motions. (Only if Darin or another Room 113 staff member offers to run the sink can students use real water. You do not run the sink.)

Slides: `transitions-l1-wash-rinse-dry-deck.pdf` (17 slides).

Have out: step cards (2 sets, cut) · step sign (taped above the sink) · Put in Order pages + Skill Cards (1 each) · scissors, glue · empty tubs or the empty sink · dry sponges · plastic bowls · towels · transition binders

1. **Check in + warm-up (10 min, 11:00). Slides 1–2.** Say: **"Pick 1 to 5."** Then the Put in Order page: students cut out the 4 pictures and glue them in order (wash, rinse, dry, put away). Staff help.
2. **Review (5 min, 11:10). Slide 3.** Say: **"Last week we made a sandwich!"** Ask the 3 questions. (Answers: wash hands first · point to the cheese · no metal in the microwave.)
3. **Learn (15 min, 11:15). Slides 4–6.** Slide 4: say each word together and act it out (wash, rinse, dry, soap, sponge, warm). Slide 5: read the safety rules. Slide 6: "Which comes first?"
4. **Video (2 min, 11:30). Slide 7. Optional.** Scan the QR or click the link and play **2:36 to 3:00 only**, captions on. If it won't play, skip it.
5. **Step cards (6 min). Slides 8–13.** One step per slide. Students say or point: "first, next, last." Count 1 to 6 together.
6. **Watch me + pretend wash (22 min). Slides 14–15.** You (or staff) show the 6 steps with the dry sponge and a bowl, pointing to the sign. Then small groups take turns at the tub: each student "washes" 2 bowls with the motions while an adult points to each step. Others order the paper step cards with a partner. (Staff: note who needed help, by two-letter code, on the sheet in the folder.)
7. **Clean up (5 min).** Bowls on the rack, towels in the laundry basket, step cards in the bin.
8. **Game + Show Me (15 min, 12:05). Slides 16–17.** Game (slide 16) only if it opens; otherwise skip. Slide 17: "Point to the first step. Point to the last step. Say: I did it!" Students color their Skill Card and put it in their binder. Line up for lunch at 12:20.

Behavior and support notes (Mr. Driver fills in)

Use **two-letter codes only**. No names.
