Choose the Right Tool — Answer Key (L2)

Staff copy. Accept other answers if the student explains a safe, sensible reason.

#	Job	Answer	Why
1	Cut a pizza	B. Pizza cutter	The round blade cuts through crust fast.
2	Flip a pancake	A. Spatula	The flat end slides under and lifts it.
3	Drain pasta	D. Strainer	Holes let the water out and keep the pasta.
4	Measure 1 cup of water	C. Measuring cup	It shows the exact amount.
5	Tighten a screw	B. Screwdriver	The tip fits the screw head.
6	Sweep crumbs off the floor	C. Broom and dustpan	The broom gathers crumbs; the dustpan picks them up.
7	Open a can of soup	D. Can opener	It cuts the lid safely.
8	Wipe up a spill on the table	A. Paper towel	It soaks up the liquid.
9	Stir soup in a pot	B. Wooden spoon	Long handle, does not get hot.
10	Take a hot pan out of the oven	C. Oven mitts	They protect your hands from burns.
