❓ How did trade help ideas spread?

Words to Know

Words to Know

Renaissance

French for 'rebirth.' A time (1350–1600) when Europe brought back Greek and Roman ideas.

Italy

The Renaissance began in Italian cities like Florence, Venice and Milan.

Medici

A rich banking family in Florence who paid artists to make art (patrons).

Humanism

A focus on human life, skills and Greek and Roman learning.

Words to Know

More Words to Know

🖼️ **Perspective**: An art method that uses lines to make a flat painting look 3-D and far away.

🧱 **Fresco**: Painting on fresh, wet plaster, like the Sistine Chapel ceiling.

☁️ **Sfumato**: Blending colors so there are no hard lines, like the Mona Lisa.

🖨️ **Printing press**: Gutenberg's machine (about 1450) that printed books fast, so ideas spread.
