Quick Review

🔴 What did the Bolsheviks want?

🧔 What does totalitarian mean?

❓ What would you do if your money suddenly bought nothing?

Words to Know

Words to Know

Inflation

When prices rise and money buys less. In 1923 German money became almost worthless.

Depression

A long time when businesses close and many people lose jobs. The Great Depression began in 1929.

Bank

A business that keeps and lends money. Many banks closed in the Depression.

Unemployment

When people who want to work cannot find a job.

Words to Know

More Words to Know

🦹 **Dictator**: A ruler with total power who does not let people vote freely.

🎖️ **Militarism**: When military leaders and the army have great power in a country.

🇯🇵 **Hideki Tojo**: A Japanese general who became prime minister and led Japan in WWII.

🗺️ **Invade**: To send an army into another country to take it over.

Learn

How Did Germany Pay?

🪖 Germany **borrowed** money to fight WWI.

📜 Then Versailles made it pay **reparations**.

🖨️ The government **printed more money** to pay its bills.

Learn

Hyperinflation (1923)

📈 Prices doubled again and again.

🍞 A loaf of bread cost about **200 billion marks**.

🛒 People moved money in **wheelbarrows**; kids built **kites and towers** with it.

🏦 Savings were **wiped out**.

🃏 Check 1 of 3

Printing too much money caused…

Hold up 1, 2, or 3:

1️⃣ Cheaper bread

2️⃣ Hyperinflation

3️⃣ More jobs

✅ Answer · Card 1 of 3

Hyperinflation

Money lost its value.

Learn

📉 The U.S. stock market **crashed** in October 1929.

🌍 Banks failed and trade dropped **worldwide**.

🧑‍💼 Germany: about **6 million** unemployed.

🍲 Food lines and lost homes.

🃏 Check 2 of 3

The Great Depression began with...

Hold up 1, 2, or 3:

1️⃣ The end of WWII

2️⃣ Lenin's revolution

3️⃣ The 1929 stock market crash

✅ Answer · Card 2 of 3

The 1929 stock market crash

October 1929.

Learn

Dictators Rise

😟 Hungry, scared people wanted **simple answers**.

🇮🇹 **Mussolini** (Fascist) took Italy in 1922.

🇩🇪 **Hitler** (Nazi) became leader of Germany in 1933.

🗳️ They ended free elections and free speech.

Learn

Japanese Militarism

🗺️ Japan had few natural resources and wanted **an empire**.

🎖️ The **army** took control of the government.

🇨🇳 1931: Japan **invaded Manchuria** (China).

🇯🇵 General **Hideki Tojo** became prime minister in 1941.

🃏 Check 3 of 3

Why did Japan invade other lands?

Hold up 1, 2, or 3:

1️⃣ To get resources and build an empire

2️⃣ To spread the Renaissance

3️⃣ To end the Depression in the USA

✅ Answer · Card 3 of 3

To get resources and build an empire

Oil, iron, land.

Wrap-Up

Recap

Hyperinflation

Germany 1923

Great Depression

1929 crash, no jobs

Dictators

Mussolini, Hitler

Japan

army + Tojo invade China

Wrap-Up
