👩‍🏫 Staff Guide · World History · Unit 6 Between the Wars (Level 3)

Level 3 = resource-room students who can work close to the gen ed lesson. No slide decks: students follow the World History teacher's slides with Level 3 guided notes and readings.

1. How the pieces line up

Gen ed lesson	Level 3 piece
Global Economic Crisis: Germany (5 Qs, 5 pts) + stacks o'money reading	Slides “How Did Germany Pay?”, “Hyperinflation” + notes part A (same 5 questions). The class reading is a textbook page (picture only), so Level 1-2 use our slides; Level 3 reads our rebuilt reading. The Dawes Plan part of the textbook page is not adapted.
Edgenuity: Great Depression, rise of Fascism and Nazism	Slides “Great Depression”, “Dictators Rise” + notes part B
Japanese Militarism reading + 5 Qs (Hideki Tojo)	Slide “Japanese Militarism” + notes part C (same 5 'What you need to know' questions as the Tojo fact file)
Unit check	Unit quiz below

2. Supports built in

- 🔊 Read aloud button on the reading and notes pages
- Key-term box at the top of the notes
- Short answers can be dictated or typed

3. What to grade

- Guided notes: same points as the class worksheet when complete
- Quick check: score, then scale to the class quiz points
- Modified grading only as the IEP allows. Check with the case manager.

4. Who to ask

- Mr. Driver (SLE): changes and IEP questions.
- Facts we could not confirm say “check with the World History teacher”.

💗 Sensitive topic note

Hard times at home: some students' families deal with job loss or not enough food right now. Keep the Depression facts about history and avoid asking students about their own family money.
