👩‍🏫 Staff Guide · Ag Science 1 · Ag Experience Project (Level 3)

Level 3 = resource-room students who can work close to the gen ed lesson. Same topics and order as Mr. Torretta's class; more reading and writing than Level 2.

1. How the pieces line up

Class lesson	Level 3 piece
Ag Experience Ideas + Topic	Reading parts 1-3; notes section A
Ag Exp. Journal; AET	Reading part 4; notes section B (hours math)
First 5 Slides; 10 Slides; Final Ag Experience	Reading part 5; notes section C
Presentation	Quick check + unit game; modified length 2-3 min

2. Supports built in

- Reading and notes each have a web copy with a 🔊 Read aloud button (highlights as it reads)
- Key-word box at the top of the notes; word problems have a worked example first
- Less filled in than Level 2: short answers, tables, a drawing
- No slide decks: students follow Mr. Torretta's slides with the Level 3 notes

3. Files

- Reading (+ 🔊 web copy)
- Guided notes + key (+ 🔊 web copy)
- Quick check + key
- Unit game: 10 questions

4. What to grade

- Guided notes stand in for the matching class notes or worksheet (same points when complete)
- Quick check: score it, then scale to the class quiz points
- Reading check questions: completion points
- Modified grading only as the IEP allows. Check with the case manager.

5. Who to ask

- Mr. Driver (SLE): changes and IEP questions.
- Class content: Mr. Torretta.

📊 Ag Experience Project: Guided Notes

Ag Science 1 · Unit 5 · Level 3 (closer to the class work) · goes with Communications: Ag Experience Topic, First 5 Slides, 10 Slides, Final Ag Experience; Ag Exp. Journal; AET

Name: _____

Use the class slides and your reading. Key words:

Ag Experience | *SAE* | *topic* | *goal* | *work log* | *AET* | *rubric* | *source* | *present*

A. Topic and goal

1. Fill in the table.

My 3 topic ideas	Why it interests me
1.	
2.	
3.	

2. Write your goal using a goal starter.

_____

_____

3. My topic must be approved by a parent or _____.

B. Work log (like the AET)

4. Fill in the table.

Date	What I did	Minutes	Photo? ✔️

5. **Add up your hours**

> Example: 30 + 45 + 45 = 120 minutes = 2 hours

a) 20 + 40 + 60 minutes = _____

b) 90 minutes = how many hours? _____

C. Slides and presenting

6. Every slide needs an _____ and its source.

7. Plan your slide titles (6-8).

_____

_____

_____

📊 Ag Experience Project: Reading

Name: _____

Planning a Strong Ag Experience

An Ag Experience is a hands-on work or research project about agriculture that you plan and carry out. In FFA it is called an SAE, a Supervised Agricultural Experience. No purchase is needed, and it can be something you did in the last year.

Start by listing three topic ideas, then choose one. Ideas include raising animals (chickens, rabbits), growing plants (a garden or hydroponics), food science (making cheese, jam or bread) or ag mechanics (fixing a farm tool). A parent or guardian approves the topic.

Next, write a clear goal. Good goals start like “Learn the process of…”, “Teach the class how to…” or “Design an area for…”. A goal tells what you will learn, make or teach.

Keep a work log every time you work: the date, what you did, how many minutes, and a photo. This record is like the AET (Agriculture Experience Tracker), the online log FFA members use for hours and money.

Finally, build slides and present. The class makes 10 slides and talks 4-5 minutes; the modified version is 6-8 slides and 2-3 minutes, and you may pre-record. Every slide needs an image with its source. The rubric grades duration, organization and design, explanation of your goal and plan, and progress toward the goal.

Check your reading

1. What is an SAE?

2. What four things go in each work log entry?

3. Name two things the rubric grades.

📊 Ag Experience Project: Quick Check

Ag Science 1 · Unit 5 · Level 3 (closer to the class work) · goes with Communications: Ag Experience Topic, First 5 Slides, 10 Slides, Final Ag Experience; Ag Exp. Journal; AET

Name: _____

Multiple choice and short answer. You may have it read aloud.

1. An Ag Experience is…

A. A hands-on ag project | B. A written test | C. A field trip only

2. Who approves your topic?

A. A classmate | B. Nobody | C. A parent or guardian

3. AET stands for…

A. Animal Eating Time | B. Ag Education Test | C. Agriculture Experience Tracker

4. Every slide needs…

A. A video | B. An image and its source | C. 10 sentences

5. Write a strong goal for a tomato garden project.

6. Why keep a work log with photos?

Multiple choice and short answer. You may have it read aloud.

1. An Ag Experience is…

A. A hands-on ag project | B. A written test | C. A field trip only

2. Who approves your topic?

A. A classmate | B. Nobody | **C. A parent or guardian**

3. AET stands for…

A. Animal Eating Time | B. Ag Education Test | **C. Agriculture Experience Tracker**

4. Every slide needs…

A. A video | **B. An image and its source** | C. 10 sentences

5. Write a strong goal for a tomato garden project.

Example: Learn the process of growing tomatoes from seed to harvest.

6. Why keep a work log with photos?

It proves your work and progress and helps build your slides/AET record.
