👩‍🏫 Staff Guide · Ag Science 1 · Unit 7 Livestock Judging (Level 1)

Level 1 = about 2nd-grade reading, with emoji and pictures. SLE students stay in Mr. Torretta's lesson and use these pieces next to it: same topics, same order, same points.

1. How the pieces line up

Gen ed piece (Canvas: “Livestock Judging PowerPoint (Blank Out, 10 pts) and Livestock Judging Score Card (10 pts)”)	Level 1 piece
Livestock Judging PowerPoint (Blank Out, 10 pts)	Notes + slides. His deck is blank lines next to labeled diagrams; our notes use the diagram labels. Exact blank answers: check with Mr. Torretta
Livestock Judging Score Card (10 pts)	Livestock Judging packet (picture score card, Labs & Projects). His score-card format: check with Mr. Torretta
Class slides	Deck: 19 slides, Words to Know first, “point to the picture” checks, recap
Class notes (Blank Out)	Guided notes: 15 items + key
Class quiz / notes check	Quiz: 8 questions + key
Vocabulary	10 picture cards (cut apart)
—	Review game (match + order) on the class site

2. Supports built in

- **Read aloud** every line; student may point, say, or circle (point = full answer)
- One idea per slide; big pictures; 2–3 picture choices
- Point to body parts on the diagram (leg, loin, ham, top)
- Thumbs up / down: muscle vs. fat photo pairs

3. Add these as the IEP allows

- Read-aloud · extended time · separate setting
- Printed slides · videos paused at the “look for” part
- Cover one choice to make it 2

4. What to grade

- Score card: placing + 1 reason (L2) or picture placing (L1) = full points
- **Notes**: same points as the class Blank Out notes when complete.
- **Quiz**: score, then scale to the class points.
- These are **modifications** (less content). The IEP must allow modified grading. Check with the case manager.

5. Who to ask

- Mr. Driver, Room 113 (SLE): changes and IEP questions.
- Facts we could not confirm in his files say “check with Mr. Torretta”.
