👩‍🏫 Staff Guide · Ag Science 1 · Unit 8 Final Review (Level 2)

Level 2 = about 3rd-grade reading. SLE students stay in Mr. Torretta's lesson and use these pieces next to it: same topics, same order, same points.

1. How the pieces line up

Gen ed piece (Canvas: “Final Part 1 The AET (Agriculture Experience Tracker) and the Final Kahoot (questions not in the export; this is our own review)”)	Level 2 piece
Final Part 1: The AET (10 pts)	AET slides use his “AET Directions” sheet (Files area): log in with the Skyward login, record class schedule, Project/Experience Manager → Add New, save each tab, fix red X’s, Single Experience Reports → PDF → Canvas. Staff may need to help with the login.
Final Kahoot (10 pts)	Final Review game on the site + review quiz (his Kahoot questions: check with Mr. Torretta)
Class slides	Deck: 23 slides, Words to Know first, hold-up-1-2-3 checks, recap
Class notes (Blank Out)	Guided notes: 16 items + key
Class quiz / notes check	Quiz: 10 questions + key
Vocabulary	10 picture cards (cut apart)
—	Review game (match + order) on the class site

2. Supports built in

- Short lines, key words bold, word bank in every notes box
- Quiz: 3 choices, no “all of the above”
- Let students play the review game twice before the quiz
- Use the vocabulary cards from all units for a sort game

3. Add these as the IEP allows

- Read-aloud · extended time · separate setting
- Printed slides · videos paused at the “look for” part

4. What to grade

- Final Kahoot: playing our Final Review game (or the real Kahoot with a partner) = same 10 points
- **Notes**: same points as the class Blank Out notes when complete.
- **Quiz**: score, then scale to the class points.
- These are **modifications** (less content). The IEP must allow modified grading. Check with the case manager.

5. Who to ask

- Mr. Driver, Room 113 (SLE): changes and IEP questions.
- Facts we could not confirm in his files say “check with Mr. Torretta”.
