👩‍🏫 Staff Guide · Culinary 1 · Unit 1 Safety & Sanitation (Level 2)

For the Culinary 1 teacher and paras. SLE students stay in the gen ed lesson and use these Level 2 pieces next to it. The gen ed unit is the spine: same topics, same order, same due dates.

1. How the pieces line up

Gen ed piece (Canvas)	Level 2 piece (modified)	How to use it in class
Food Safety slides (“Safe Serv Food Safety PowerPoint Revised”, 30 slides) and “Food_Borne_Illness_PPT”	Level 2 slide deck (34 slides): same topics, same order, short lines, emoji and the original pictures, 7 Words to Know, 5 “hold up 1, 2, 3” checks	Use on a Chromebook or print 2 per page during the gen ed lecture. Para pauses at each ✅ Check.
Food Worker Video Notes (39 questions, 20 pts)	Food Worker Guided Notes (23 items): fill-in blanks, a word bank in each box, 2 draw-a-line matches, circle the allergens	Same video, same due date. Pause the video at section breaks (A–F follow the video).
Safety & Sanitation Pre Test (32 questions, 4 choices)	Safety & Sanitation Quiz: 15 questions, 3 choices, simple wording	Same day as the class takes it. Read aloud and a separate setting if the IEP says so.
Videos, Denny's tour, restaurant inspections, breakouts, Kahoots	No change. Students take part with the class.	Partner them for breakouts. Kahoot: let them play in pairs, untimed if possible.
Food Worker Card (state online course and test)	Deck slide + QR code to foodworkercard.wa.gov	Plan supports with the case manager before test day.

- Word bank in every notes box; fewer blanks (23, not 39)
- Quiz: 15 questions, 3 choices, no “all of the above”
- Checks for understanding every few slides (hold up 1, 2, 3)

- **Labs**: the same lab evaluation sheet as the class. Grade the safety steps (hand washing, gloves, clean and sanitize) and teamwork.

- Mr. Driver, Room 113 (SLE): changes, new pieces, IEP questions.
- Answer keys are on the class site under Teacher resources.
