👩🏾‍🏫 Staff Guide · Culinary 1 · Unit 6 Knife Skills (Level 2)

For the Culinary 1 teacher and paras. SLE students stay in the gen ed lesson and use these Level 2 pieces next to it: same topics, same order, same due dates.

1. How the pieces line up

Gen ed piece (Canvas)	Level 2 piece (modified)	How to use it in class
KNIFE SKILLS PowerPoint with Videos (Files, 23 slides)	Deck, 27 slides: same order, short lines, original pictures	Show beside the gen ed slides
2018 KNIFE SKILLS Fill in WS + Knife Skills Worksheet + Vocab	Guided notes, 17 blanks, word bank + matching	Fill in during the slides; key under Teacher resources
Knife Skills Quiz (19 q)	12 questions, 3 choices	Same day as the class quiz
Pico de Gallo (her recipe)	Picture recipe card, 11 steps, cut practice photos	Para checks the claw at every cut
Videos: knife safety, dicing an onion	Same videos, with QR codes and a “listen for” line	Pause at the key part

2. Accommodations built in

- About 5th-grade reading level; one idea per line; key words bold
- Cuts shown as pictures with everyday words (French fry, matchstick)
- Safety rules one per line
- Word bank in every notes box; matching in place of open questions
- Quiz: 3 choices, no “all of the above”
- Lab card: one step per box, amounts in bold, check boxes

3. Add these as the IEP allows

- Read-aloud · extended time · separate setting for the quiz
- Printed slides · videos paused at the “listen for” part
- Safety plan/IEP decides knife use: a crinkle cutter or nylon knife if needed
- Hand-over-hand practice with a banana or cucumber first

4. What to grade

- **Notes**: same points as the class worksheet (complete = full credit)
- **Quiz**: score out of 12, then scale to the class quiz points
- **Lab**: same lab points. The card's photo checklist covers the 5 photos; its 3-line self-check replaces the written self-assessment.
- **Checks**: participation only.
- These are **modifications** (less content), so the IEP must allow modified grading. Check with the case manager.

5. Who to ask

- Mr. Driver, Room 113 (SLE): changes, new pieces, IEP questions.
- Answer keys are on the class site under Teacher resources.

👩‍🏫 Staff Guide · Pico de Gallo Lab (Level 2)

Culinary 1 · Unit 6 · gen ed lab: after Intro to Knife Skills (11/5-11/6). Level 2 = about 3rd-grade reading. Same lab, same day, same lab points as the class.

1. The pieces

- **Recipe card**: Mrs. Dyches' recipe (Pico de Gallo for One), her amounts. 8 steps, one per box.
- **Prep sheet**: job roles, tools + food checklist, safety focus. Do it the day before or at the start.
- **Demo deck**: jobs, safety, steps, 3 checks. Show before the lab.
- **Reflection**: replaces the written self-assessment.
- **Game**: put the steps in order + match the tools (link on the class site).

2. Prompts while they cook

- “Show me your claw.”
- “Is your board sliding? Add the wet towel.”
- “Dice is small cubes. Show me one cube.”
- “Where does the knife go when you walk?”

3. Modifications

- Model one cut, then student copies
- Skip the jalapeño if the student cannot wear gloves
- Use a chopper for garlic if mincing is too hard
- Let the student pick a job they can do well; rotate jobs next lab.

4. What to grade (same 50 lab points)

- Photo checklist (5 photos) + the reflection sheet replace the written self-assessment.
- Pointing, saying, or circling counts as a full answer.
- Modified grading only as the IEP allows. Check with the case manager.

5. Missed the lab?

- Her policy: up to 4 cooking labs can be made up for full points, others half credit, within 1 month (−5 after).
- Use the Level 2 “Lab makeup choices” sheet (Unit 11 on the class site).

6. Ask

- Mr. Driver, Room 113 (SLE).
