👩🏾‍🏫 Staff Guide · Culinary 1 · Unit 7 Roux & Mirepoix (Level 2)

For the Culinary 1 teacher and paras. SLE students stay in the gen ed lesson and use these Level 2 pieces next to it: same topics, same order, same due dates.

1. How the pieces line up

Gen ed piece (Canvas)	Level 2 piece (modified)	How to use it in class
Roux & Mirepoix module (2 videos) + Mother Sauces PPT (Files)	Deck, 23 slides: roux, mirepoix, 5 mother sauces, milk	Show beside the videos / sauces slides
Mother Sauces Fill in WS	Guided notes, 20 blanks, word bank + matching	Fill in during the slides; key under Teacher resources
No module quiz (roux items #13–14 of the F&V & Knife Skills quiz)	12 questions, 3 choices	Give as a short check, or skip if the class has no quiz
Cream of Anything Soup (her recipe)	Picture recipe card, 11 steps, potato version listed	Para watches the boil and the whisking
Videos: roux (Food Network), mirepoix (Denver Post)	Same videos, with QR codes and a “listen for” line	Pause at the key part

2. Accommodations built in

- About 5th-grade reading level; one idea per line; key words bold
- Mother sauces as a 2-column chart
- Pronunciations: roux = “roo”, mirepoix = “meer-pwah”
- Word bank in every notes box; matching in place of open questions
- Quiz: 3 choices, no “all of the above”
- Lab card: one step per box, amounts in bold, check boxes

3. Add these as the IEP allows

- Read-aloud · extended time · separate setting for the quiz
- Printed slides · videos paused at the “listen for” part
- Pre-measured roux ingredients
- Timer for the 1-minute boil

4. What to grade

- **Notes**: same points as the class worksheet (complete = full credit)
- **Quiz**: score out of 12, then scale to the class points
- **Lab**: same lab points. The card's photo checklist covers the 5 photos; its 3-line self-check replaces the written self-assessment.
- **Checks**: participation only.
- These are **modifications** (less content), so the IEP must allow modified grading. Check with the case manager.

5. Who to ask

- Mr. Driver, Room 113 (SLE): changes, new pieces, IEP questions.
- Answer keys are on the class site under Teacher resources.

👩🏾‍🏫 Staff Guide · Cream of Anything Soup & Biscuits Lab (Level 2)

Culinary 1 · Unit 7 · gen ed lab: after the Pico de Gallo Lab. Level 2 = about 3rd-grade reading. Same lab, same day, same lab points as the class.

1. The pieces

- **Recipe card**: Mrs. Dyches' recipe (Cream of Anything Soup (group) + Copycat Cheddar Bay Biscuits), her amounts. 11 steps, one per box.
- **Prep sheet**: job roles, tools + food checklist, safety focus. Do it the day before or at the start.
- **Demo deck**: jobs, safety, steps, 3 checks. Show before the lab.
- **Reflection**: replaces the written self-assessment.
- **Game**: put the steps in order + match the tools (link on the class site).

2. Prompts while they cook

- “Is the roux bubbly like a runny paste?”
- “Keep the whisk moving.”
- “Show me pea-size butter.”
- “Which veggie soup is your group making?”

3. Modifications

- Split jobs: one person soup, one biscuits
- Use a #40 scoop for even biscuits
- Mark ¼ c + 2 Tbsp with tape on the cup
- Let the student pick a job they can do well; rotate jobs next lab.

4. What to grade (same 50 lab points)

- Photo checklist (5 photos) + the reflection sheet replace the written self-assessment.
- Pointing, saying, or circling counts as a full answer.
- Modified grading only as the IEP allows. Check with the case manager.

5. Missed the lab?

- Her policy: up to 4 cooking labs can be made up for full points, others half credit, within 1 month (−5 after).
- Use the Level 2 “Lab makeup choices” sheet (Unit 11 on the class site).

6. Ask

- Mr. Driver, Room 113 (SLE).
