👩‍🏫 Staff Guide · Health · Unit 1 Wellness (Level 1)

Level 1 = about 2nd-grade reading, with emoji and pictures. SLE students stay in Mr. Finstuen's lesson and use these pieces next to it: same topics, same order, same points.

1. How the pieces line up

Gen ed piece (Canvas: "Wellness module: Nametag & Notes, Dimensions of Wellness, Sleep is Your Superpower, Analyze Personal Dimensions of Wellness, Self-Awareness Reflection, Emotional First Aid, Decision-Making Part 2, SMART Goal, Financial Wellness")	**Level 1 piece**
Nametag & Notes, core ideas of health (first days)	Slides "Wellness"; notes part A
Dimensions of Wellness + Analyze Personal Dimensions of Wellness (poster: 3 dimensions + senses)	Slides "Parts of Wellness", "My Senses"; notes part A. Poster: student picks 3 dimensions and draws or glues one picture each (pictures count as the visual)
Sleep is Your Superpower (Matt Walker talk)	Slides "Sleep"; notes part B
Self-Awareness Reflection, Emotional First Aid, Ultimate vs. Casual Concerns	Slides "Self-Awareness", "Emotional First Aid"; notes part B. Strengths: student circles strengths from a list (no written personal story)
Decision-Making Part 2 (DECIDE), SMART Goal, Financial Wellness (Spent)	Slides "DECIDE", "SMART Goals", "Money"; notes part C. Spent simulation: play with a partner; staff reads the choices aloud
Class slides	Deck: 22 slides, Words to Know first, "point to the picture" checks, recap
His worksheets (grouped into lessons)	Guided notes: 15 items + key
Class quiz / notes check	Quiz: 8 questions + key
Vocabulary	8 picture cards (cut apart)
—	1 game on the class site: 10 questions + a matching round

2. Supports built in

- **Read aloud** every line; student may point, say, or circle (point = full answer)
- One idea per slide; big pictures; 2–3 picture choices
- Picture anchors: 🏃 physical, 💗 emotional, 🤝 social, 🧠 intellectual, 💼 occupational, 🌳 environmental, 🕊️ spiritual, 💵 financial
- Personal reflections are optional and can be said, pointed to or drawn

3. Add these as the IEP allows

- Read-aloud · extended time · separate setting
- Printed slides · videos paused at the "look for" part
- Cover one choice to make it 2

4. What to grade

- Notes stand in for the Wellness vocabulary and Analyze Personal Dimensions of Wellness assignment (same points when complete)
- **Notes**: same points as his worksheets for that lesson when complete.
- **Quiz**: score, then scale to the class points.
- These are **modifications** (less content). The IEP must allow modified grading. Check with the case manager.

5. Who to ask

- Mr. Driver (SLE): changes and IEP questions.
- Facts we could not confirm in his files say "check with Mr. Finstuen".

🚧 Under construction (check with Mr. Finstuen)

- **Sleep is Your Superpower worksheet**: Turned in through an outside tool, so the questions are not in the export. Our notes use the topics on his calendar.
- **Learner Profile + wellness group assessment**: Both are outside-tool documents not in the export.
- **Wellness self-assessment**: His SMART Goal uses the Princeton UMatter wellness self-assessment (link only). Our version skips the score.
