👩‍🏫 Staff Guide · Health · Unit 4 Social-Emotional Health (Level 1)

Level 1 = about 2nd-grade reading, with emoji and pictures. SLE students stay in Mr. Finstuen's lesson and use these pieces next to it: same topics, same order, same points.

1. How the pieces line up

Gen ed piece (Canvas: "Social-Emotional Health module: CASEL 5 Core Competencies, Self-Esteem, RULER, Feel Good Plan, Setting Boundaries, Ethical Values, What If? Scenarios, Bullying, Mental Health Continuum, Life Just Got Real")	**Level 1 piece**
CASEL 5 Core Competencies	Slide "CASEL 5"; notes part A
Self-Esteem (3 meanings, 2 components)	Slide "Self-Esteem"; notes part A. No self-rating scale; it is left out on purpose
RULER; Feel Good Plan	Slides "RULER", "Feel Good Plan"; notes part B. Practice with a made-up character, never a mood log
Setting Boundaries; Ethical Values; What If? Scenarios	Slides "Boundaries", "Ethical Values"; notes parts B-C. Role-play with staff only
Bullying; Mental Health Continuum; Life Just Got Real	Slides "Bullying", "Mental Health", "Life Just Got Real"; notes part C. Cross the Line/Stand Up are left out
Class slides	Deck: 20 slides, Words to Know first, "point to the picture" checks, recap
His worksheets (grouped into lessons)	Guided notes: 15 items + key
Class quiz / notes check	Quiz: 8 questions + key
Vocabulary	8 picture cards (cut apart)
—	1 game on the class site: 10 questions + a matching round

2. Supports built in

- **Read aloud** every line; student may point, say, or circle (point = full answer)
- One idea per slide; big pictures; 2–3 picture choices
- Emotion picture cards on the desk
- Any sharing is optional and about made-up people

3. Add these as the IEP allows

- Read-aloud · extended time · separate setting
- Printed slides · videos paused at the "look for" part
- Cover one choice to make it 2

4. What to grade

- Notes stand in for the CASEL, RULER and boundaries worksheets
- Left-out personal-sharing activities: excused, full credit
- **Notes**: same points as his worksheets for that lesson when complete.
- **Quiz**: score, then scale to the class points.
- These are **modifications** (less content). The IEP must allow modified grading. Check with the case manager.

5. Who to ask

- Mr. Driver (SLE): changes and IEP questions.
- Facts we could not confirm in his files say "check with Mr. Finstuen".

🚧 Under construction (check with Mr. Finstuen)

- **What If? scenario cards**: His scenario list is not in the export; we wrote two short scenarios in the Level 3 notes instead.
- **Life Just Got Real slides**: Only the title is in the export; we teach the idea in one slide.
- **Bullying video notes**: Turned in through an outside tool; the questions are not in the export.

💗 Sensitive topic note

This unit is about feelings. Students never have to share their own feelings, write a mood log or rate themselves. Use the made-up characters in the scenarios. The self-esteem scale, Cross the Line and Stand Up activities from the general class are left out on purpose. If a student shares something worrying, tell Mr. Driver and the school counselor. Crisis help: call or text 988.

💬 Social-Emotional Health Notes

Health · Unit 4 · Level 1

Name: _____

✏️ A. Trace the word. Then copy it.

😀 happy _____

😢 sad _____

⏸️ pause _____
