👩‍🏫 Staff Guide · Health · Unit 5A Sexual Health 1: Bodies, Pregnancy & Relationships (Level 1)

Level 1 = about 2nd-grade reading, with emoji and pictures. SLE students stay in Mr. Finstuen's lesson and use these pieces next to it: same topics, same order, same points.

1. How the pieces line up

Gen ed piece (Canvas: "Sexual Health module part 1: Reproductive System Anatomy & Function, Puberty, Fertilization & Pregnancy (trimesters), Birth, WA Safe Haven Law, Healthy Relationships (Relationship Spectrum quiz), Consent & Coercion, Online Safety & Sexting Law, Gender & Sexuality Terms")	**Level 1 piece**
Reproductive System Anatomy & Function	Slides "Female/Male Reproductive System" (non-graphic labeled diagrams); notes part A
Puberty	Slide "Puberty"; notes part A
Fertilization & Pregnancy; Birth; WA Safe Haven Law	Slides "Pregnancy", "Birth and Safe Haven"; notes part B
Healthy Relationships: Relationship Spectrum quiz; Consent & Coercion	Slides "Relationship Spectrum", "Consent and Coercion"; notes part C; quick check
Online Safety & Sexting Law; Gender & Sexuality Terms	Slides "Online Safety", "Identity Words"; notes part C
Class slides	Deck: 20 slides, Words to Know first, "point to the picture" checks, recap
His worksheets (grouped into lessons)	Guided notes: 15 items + key
Class quiz / notes check	Quiz: 8 questions + key
Vocabulary	8 picture cards (cut apart)
—	1 game on the class site: 10 questions + a matching round

2. Supports built in

- **Read aloud** every line; student may point, say, or circle (point = full answer)
- One idea per slide; big pictures; 2–3 picture choices
- Check the family opt-out list first (Healthy Youth Act)
- Answer questions simply and factually; refer bigger questions to Mr. Finstuen

3. Add these as the IEP allows

- Read-aloud · extended time · separate setting
- Printed slides · videos paused at the "look for" part
- Cover one choice to make it 2

4. What to grade

- Quick check stands in for the Relationship Spectrum quiz (same points)
- Opted-out students: alternate assignment from Mr. Finstuen
- **Notes**: same points as his worksheets for that lesson when complete.
- **Quiz**: score, then scale to the class points.
- These are **modifications** (less content). The IEP must allow modified grading. Check with the case manager.

5. Who to ask

- Mr. Driver (SLE): changes and IEP questions.
- Facts we could not confirm in his files say "check with Mr. Finstuen".

🚧 Under construction (check with Mr. Finstuen)

- **FLASH (King County) reproductive anatomy worksheets**: Copyrighted, so not reused. We use labeled public-domain/CC diagrams instead.
- **Pregnancy video notes**: Video and questions are not in the export.
- **Alternate (opt-out) assignment**: Mr. Finstuen's opt-out alternate is not in the export; ask him for it.

💗 Sensitive topic note

FAMILY OPT-OUT: Under Washington's Healthy Youth Act, families may opt their student out of sexual health lessons. Check Mr. Finstuen's opt-out list before this unit, and give opted-out students the alternate assignment from Mr. Finstuen. Keep lessons factual and medically accurate, using correct body-part names. Diagrams are internal, labeled and non-graphic. Students never share personal experiences; scenarios use made-up people. Answer questions simply and truthfully, or say "Great question, let's ask Mr. Finstuen." If a student discloses abuse, you are a mandated reporter: tell Mr. Driver and the school counselor the same day. Help lines: 988; National Domestic Violence Hotline / love is respect: text LOVEIS to 22522.
