2. Supports built in

- Short lines, key words bold, word bank in every notes box
- Quiz: 3 choices, no "all of the above"
- Level 1 names Sitting Bull and Nat Love only; no battle details beyond "there were battles"
- Picture anchors: 🚂 railroad, 🧱 sod house, 🦬 buffalo, ⛺ reservation

3. Add these as the IEP allows

- Read-aloud · extended time · separate setting
- Printed slides · videos paused at the "look for" part

4. What to grade

- Heartland Packet (20 pts): use the notes for parts 1-3; the video section can be the Level 2 video slide
- **Notes**: same points as her worksheets for that lesson when complete.
- **Quiz**: score, then scale to the class points.
- These are **modifications** (less content). The IEP must allow modified grading. Check with the case manager.

5. Who to ask

- Mr. Driver (SLE): changes and IEP questions.
- Facts we could not confirm in her files say "check with Ms. Stockmar".

🚧 Under construction (check with Ms. Stockmar)

- **Quiz cartoons**: Her quiz uses 3 political cartoons ("The Last Buffalo", "The Reason of the Indian Outbreak", the Indian Agent). We describe them in words and do not reprint them; the class copies are in her power point.

💗 Sensitive topic note

This unit includes massacres (Sand Creek 1864, Wounded Knee 1890) and the loss of Native land and the buffalo. We state the facts plainly with no images of violence. Some of her cartoons ("The Reason of the Indian Outbreak," the Indian Agent, "Indian" cartoons) use racist caricatures of Native people; we do not show them. If the class views them, say first that the drawings are unfair stereotypes, and let students look at the message, not the drawing style. Native students may have family ties to these events; offer a pass on discussion.
