👩‍🏫 Staff Guide · World History · Unit 5 The Russian Revolution (Level 1)

Level 1 = about 2nd-grade reading, with emoji and pictures. SLE students stay in the World History lesson and use these pieces next to it: same topics, same order, same points.

1. How the pieces line up

Gen ed piece (Canvas: "Unit 5 Revolutions in Russia: Marx & Lenin compare (Communist Manifesto, Venn diagram), Russian Revolution Dynasty slides + Bolshevik questions (Bolsheviks, Red/White Army, communism, Mensheviks, Lenin, Trotsky, Stolypin, Kerensky, 'pick a side'), Rule of Stalin textbook reading (totalitarianism), Edgenuity lessons")	**Level 1 piece**
Russian Revolution Dynasty slides + bolshevik.docx questions (9 Qs)	Slides "Last Czar", "Lenin and the Bolsheviks", "Civil War", "Trotsky" + notes part A (same leader match as Qs 6-9)
'What would you do? Pick a side' activity	Same activity. Give Level 1-2 a picture card for each side (🔴 Bolsheviks / ⚪ Mensheviks) and one sentence frame: "I pick ___ because ___."
Marx & Lenin compare (textbook chart, Venn diagram)	Slide "Karl Marx's Idea" + notes part B. The textbook chart is not in the export (🚧).
Rule of Stalin textbook reading + questions (12 pts: Stalin's character, secret police, indoctrination, Great Purge)	Slide "Stalin" + notes part C. Level 3 notes part C answers his questions. The reading is textbook page pictures, so Level 1-2 use our slides.
Edgenuity lessons	🚧 Not in the export.
Class slides	Deck: 18 slides, Words to Know first, "point to the picture" checks, recap
Class worksheets (grouped into lessons)	Guided notes: 15 items + key
Class quiz / notes check	Quiz: 8 questions + key
Vocabulary	8 picture cards (cut apart)
—	1 game on the class site: 10 questions + a matching round

2. Supports built in

- **Read aloud** every line; student may point, say, or circle (point = full answer)
- One idea per slide; big pictures; 2–3 picture choices
- Timeline strip: 1917 czar out → Bolsheviks in → civil war → 1924 Stalin
- Red/White color cards for the two sides

3. Add these as the IEP allows

- Read-aloud · extended time · separate setting
- Printed slides · videos paused at the "look for" part
- Cover one choice to make it 2

4. What to grade

- Rule of Stalin (12 pts): Level 1-2 notes part C = full credit
- **Notes**: same points as his worksheets for that lesson when complete.
- **Quiz**: score, then scale to the class points.
- These are **modifications** (less content). The IEP must allow modified grading. Check with the case manager.

5. Who to ask

- Mr. Driver (SLE): changes and IEP questions.
- Facts we could not confirm in the class files say "check with the World History teacher".

🚧 Under construction (check with the World History teacher)

- **Marx & Lenin chart**: The textbook 'Interpreting Charts' chart is not in the export.

💗 Sensitive topic note

Stalin's rule included famine, prison camps (the Gulag) and killings of millions. Keep it factual: 'Stalin punished people who disagreed.' The class 'pick a side' role play is fine; remind students it is a role, not their own politics. Some families came from Russia, Ukraine or other former Soviet countries; avoid stereotypes and let students pass.
