# 👩🏾‍🏫 Staff Guide · World History · Unit 8 Genocide & Human Rights (Level 1)

Level 1 = about 2nd-grade reading, with emoji and pictures. SLE students stay in the World History lesson and use these pieces next to it: same topics, same order, same points.

## 1. How the pieces line up

| **Gen ed piece (Canvas: "Unit 8 Genocide: The Path to Nazi Genocide (USHMM film + 15 questions; Honors version), Armenian Genocide assignment (Britannica video, timelines, survivor stories, UN definition), South African Apartheid / Rwandan Genocide (Britannica apartheid pages, rwandanstories.org)")** | **Level 1 piece** |
|---|---|
| The Path to Nazi Genocide (USHMM 38-min film + 15 Qs, 15 pts) | Slides "What Is Genocide?", "Path to Nazi Genocide", "Holocaust" + notes part A. Level 1-2: watch only the first section (1918-1933) with staff; skip the killing-centers section. Honors version not adapted. |
| Armenian Genocide assignment (videos, timelines, survivor stories, UN definition, 10 pts) | Slide "Armenian Genocide" + notes part B. Level 1-2 skip the survivor videos (Qs 8-9); use the UN definition circle. |
| South African Apartheid / Rwandan Genocide (Britannica apartheid pages, rwandanstories.org) | Slides "Apartheid", "Rwanda and Upstanders" + notes part C. Level 1-2: apartheid signs + Mandela only; Rwanda in one sentence. |
| Edgenuity reading (Armenian Genocide excerpt) | 🚧 Not in the export. |
| Class slides | Deck: 18 slides, Words to Know first, "point to the picture" checks, recap |
| Class worksheets (grouped into lessons) | Guided notes: 15 items + key |
| Class quiz / notes check | Quiz: 8 questions + key |
| Vocabulary | 8 picture cards (cut apart) |
| — | 1 game on the class site: 10 questions + a matching round |

## 2. Supports built in

- **Read aloud** every line; student may point, say, or circle (point = full answer)
- One idea per slide; big pictures; 2–3 picture choices
- Calm tone, no victim images; memorial and leader photos only
- 'Step out' card on the desk; staff check in after the lesson
- Sentence frame: "People were treated unfairly because ___."

## 3. Add these as the IEP allows

- Read-aloud · extended time · separate setting
- Printed slides · videos paused at the "look for" part
- Cover one choice to make it 2

## 4. What to grade

- Path to Genocide (15 pts): notes part A = full credit
- Armenian Genocide (10 pts): notes part B = full credit
- Apartheid (10 Qs): notes part C = full credit
- **Notes**: same points as his worksheets for that lesson when complete.
- **Quiz**: score, then scale to the class points.
- These are **modifications** (less content). The IEP must allow modified grading. Check with the case manager.

## 5. Who to ask

- Mr. Driver (SLE): changes and IEP questions.
- Facts we could not confirm in the class files say "check with the World History teacher".

## 🚧 Under construction (check with the World History teacher)

- **Edgenuity Armenian Genocide excerpt**: The excerpt used for Armenian Q8 and the final UN-member question is in Edgenuity, not in the export.
- **Teacher sign-off on Unit 8**: Please have the World History teacher and case manager look over this unit before students use it.

## 💗 Sensitive topic note

This is the most sensitive unit. Level 1-2 materials name what happened in simple, true words, with no images of victims, camps or violence; pictures are memorials and leaders only. Before class: tell the case manager, preview the class videos (the USHMM film and survivor videos are graphic in places), and give students a way to step out. Some students may have family histories connected to these events (Jewish, Armenian, Rwandan, South African, or other refugee families); never ask students to share. The games review vocabulary, rights and upstanders only; no game question is about numbers of deaths. Keep the tone calm (no 'fun' framing). The Honors Path to Genocide and the Edgenuity reading are not adapted.
