👩🏾‍🏫 Staff Guide · World History · Unit 8 Genocide & Human Rights (Level 2)

Level 2 = about 3rd-grade reading. SLE students stay in the World History lesson and use these pieces next to it: same topics, same order, same points.

1. How the pieces line up

Gen ed piece (Canvas: "Unit 8 Genocide: The Path to Nazi Genocide (USHMM film + 15 questions; Honors version), Armenian Genocide assignment (Britannica video, timelines, survivor stories, UN definition), South African Apartheid / Rwandan Genocide (Britannica apartheid pages, rwandanstories.org)")	**Level 2 piece**
The Path to Nazi Genocide (USHMM 38-min film + 15 Qs, 15 pts)	Slides "What Is Genocide?", "Path to Nazi Genocide", "Holocaust" + notes part A. Level 1-2: watch only the first section (1918-1933) with staff; skip the killing-centers section. Honors version not adapted.
Armenian Genocide assignment (videos, timelines, survivor stories, UN definition, 10 pts)	Slide "Armenian Genocide" + notes part B. Level 1-2 skip the survivor videos (Qs 8-9); use the UN definition circle.
South African Apartheid / Rwandan Genocide (Britannica apartheid pages, rwandanstories.org)	Slides "Apartheid", "Rwanda and Upstanders" + notes part C. Level 1-2: apartheid signs + Mandela only; Rwanda in one sentence.
Edgenuity reading (Armenian Genocide excerpt)	🚧 Not in the export.
Class slides	Deck: 18 slides, Words to Know first, hold-up-1-2-3 checks, recap
Class worksheets (grouped into lessons)	Guided notes: 14 items + key
Class quiz / notes check	Quiz: 10 questions + key
Vocabulary	8 picture cards (cut apart)
—	1 game on the class site: 10 questions + a matching round

2. Supports built in

- Short lines, key words bold, word bank in every notes box
- Quiz: 3 choices, no "all of the above"
- Calm tone, no victim images; memorial and leader photos only
- 'Step out' card on the desk; staff check in after the lesson
- Sentence frame: "People were treated unfairly because ___."

3. Add these as the IEP allows

- Read-aloud · extended time · separate setting
- Printed slides · videos paused at the "look for" part

4. What to grade

- Path to Genocide (15 pts): notes part A = full credit
- Armenian Genocide (10 pts): notes part B = full credit
- Apartheid (10 Qs): notes part C = full credit
- **Notes**: same points as his worksheets for that lesson when complete.
- **Quiz**: score, then scale to the class points.
- These are **modifications** (less content). The IEP must allow modified grading. Check with the case manager.

5. Who to ask

- Mr. Driver (SLE): changes and IEP questions.
- Facts we could not confirm in the class files say "check with the World History teacher".

🚧 Under construction (check with the World History teacher)

- **Edgenuity Armenian Genocide excerpt**: The excerpt used for Armenian Q8 and the final UN-member question is in Edgenuity, not in the export.
- **Teacher sign-off on Unit 8**: Please have the World History teacher and case manager look over this unit before students use it.

💗 Sensitive topic note

This is the most sensitive unit. Level 1-2 materials name what happened in simple, true words, with no images of victims, camps or violence; pictures are memorials and leaders only. Before class: tell the case manager, preview the class videos (the USHMM film and survivor videos are graphic in places), and give students a way to step out. Some students may have family histories connected to these events (Jewish, Armenian, Rwandan, South African, or other refugee families); never ask students to share. The games review vocabulary, rights and upstanders only; no game question is about numbers of deaths. Keep the tone calm (no 'fun' framing). The Honors Path to Genocide and the Edgenuity reading are not adapted.
