👩‍🏫 Staff Guide · Health · Unit 7 Hope, Purpose & Wonder (Level 1)

Level 1 = about 2nd-grade reading, with emoji and pictures. SLE students stay in Mr. Finstuen's lesson and use these pieces next to it: same topics, same order, same points.

1. How the pieces line up

Gen ed piece (Canvas: "Hope, Purpose & Wonder module: What Is Hope (goals + pathways + willpower), Hope Guided Notes, Legacy Treasure Map, Purpose at 40, Core Ideas Takeaways")	**Level 1 piece**
What Is Hope (goals + pathways + willpower)	Slides "What Is Hope?", "Hope Formula"; notes part A
Hope Guided Notes	🚧 His Hope Guided Notes are not in the export; our notes parts A-B cover the same ideas
Goals; Purpose at 40	Slides "Good Goals", "Purpose"; notes part B. Goals can be about anything and never have to be shared aloud
Legacy Treasure Map	Slide "Legacy Treasure Map"; notes part C. Draw a map on paper
Core Ideas Takeaways	Slide "Health Course Takeaways"; quick check
Class slides	Deck: 18 slides, Words to Know first, "point to the picture" checks, recap
His worksheets (grouped into lessons)	Guided notes: 15 items + key
Class quiz / notes check	Quiz: 8 questions + key
Vocabulary	8 picture cards (cut apart)
—	1 game on the class site: 10 questions + a matching round

2. Supports built in

- **Read aloud** every line; student may point, say, or circle (point = full answer)
- One idea per slide; big pictures; 2–3 picture choices
- Goal sentence frame: I will ___ by ___.
- Treasure map can be drawn, cut-and-glued or dictated

3. Add these as the IEP allows

- Read-aloud · extended time · separate setting
- Printed slides · videos paused at the "look for" part
- Cover one choice to make it 2

4. What to grade

- Notes stand in for the Hope Guided Notes
- Treasure map: treasure + 1 obstacle + 1 pathway + 1 helper = full credit
- **Notes**: same points as his worksheets for that lesson when complete.
- **Quiz**: score, then scale to the class points.
- These are **modifications** (less content). The IEP must allow modified grading. Check with the case manager.

5. Who to ask

- Mr. Driver (SLE): changes and IEP questions.
- Facts we could not confirm in his files say "check with Mr. Finstuen".

🚧 Under construction (check with Mr. Finstuen)

- **HOPE document**: Linked but not in the export; ask Mr. Finstuen for it.
- **Hope Guided Notes**: Not in the export; our notes follow his slide titles.
- **Email-a-future-self template**: His email template is not in the export, and students won't send email from this site; ask him for a paper version.

💗 Sensitive topic note

Some students may feel hopeless at times. Goals can be small and about anything (a pet, a job, a skill). No student has to share their goals aloud. If a student says they feel hopeless or talks about not wanting to live, stay with them, tell Mr. Driver and the school counselor right away, and share 988 (call or text).
