Name: _____

Detention barracks, Angel Island Immigration Station

Angel Island: The Immigration Station in the West

🏝️ Angel Island is an island in San Francisco Bay, California.

🚢 From 1910 to 1940, many immigrants stopped there first. Most came from **China**.

🚫 A U.S. law, the **Chinese Exclusion Act**, kept most Chinese workers out.

❓ Officers asked hard **questions**. How many windows are in your house? Who lives next door?

⏳ Some people waited weeks or months. A few waited two years.

✍️ Some carved **poems** into the wooden walls. The poems tell about sadness and hope.

🏛️ Today Angel Island is a park and museum.
