👩‍🏫 Staff Guide · US History · Unit 3 Angel Island reading

New pieces for Levels 1, 2 and 3. L1 = about 2nd-grade reading with emoji and pictures. L2 = about 3rd-grade reading. L3 = close to the class work (guided notes and readings, no slide decks). Every lesson opens with the 5-minute review in the class plan.

1. What each piece goes with

Class lesson / piece	Our files	Notes
Voices of Angel Island reading + questions	L1/L2/L3 reading + check questions + keys + read-aloud pages	Fills our 🚧 item “Angel Island reading.” Written by our team from general historical facts. The class reading's oral-history excerpts are NOT copied, so the class questions about the three people in it need the class reading.

2. Supports built in

- L1: read aloud; picture choices; pointing counts.
- L2: word banks; 3 choices; no 'all of the above.'
- L3: class questions with short answers; no slide decks.
- Talk about the Chinese Exclusion Act as an unfair law; keep the focus on the immigrants' experience.

3. What to grade

- Check questions: 1 point each.
- These are modifications. Modified grading only as the IEP allows. Check with the case manager.

4. Who to ask

- The SLE teacher: changes and IEP questions.
- Facts we could not confirm say “check with the class teacher”.

—	1 game on the class site: 10 questions + a matching round

2. Supports built in

- Short lines, key words bold, word bank in every notes box
- Quiz: 3 choices, no "all of the above"
- Level 1 sorts reasons into 👋 push and 🧲 pull with pictures
- Angel Island poems: read one translated line aloud if time

3. Add these as the IEP allows

- Read-aloud · extended time · separate setting
- Printed slides · videos paused at the "look for" part

4. What to grade

- Voices of Angel Island: Level 1-2 answer the notes part B in place of the 3 long questions
- **Notes**: same points as her worksheets for that lesson when complete.
- **Quiz**: score, then scale to the class points.
- These are **modifications** (less content). The IEP must allow modified grading. Check with the case manager.

5. Who to ask

- Mr. Driver (SLE): changes and IEP questions.
- Facts we could not confirm in her files say "check with Ms. Stockmar".

🚧 Under construction (check with Ms. Stockmar)

- **Unit placement**: Her 2026 calendar goes Heartland → Imperialism → WWI. Immigration & Cities (Unit 3), Progressives (Unit 4) and Civil Rights 1900 (Unit 5) come from her earlier-year calendars. Check whether she teaches them this year.
- **Angel Island reading**: The "Voices from Angel Island" primary-source reading is not in the export (only the answer frame). Our notes follow her question frame.

💗 Sensitive topic note

Her immigration cartoons (Chinese immigrant cartoons, "Noah's Ark") include racist caricatures of Chinese and other immigrants. We do not show them; we describe the message. If the class views them, name the stereotype first and focus on what the cartoon shows about attitudes at the time. Some students may be immigrants or have family who are; keep push/pull talk general and never ask students to share their status.

Angel Island: The Immigration Station in the West

Angel Island sits in San Francisco Bay, California. From 1910 to 1940 it was an **immigration station**, a place where newcomers were checked before entering the U.S. It is sometimes called the “Ellis Island of the West,” but it was very different.

Most people held at Angel Island came from **China**. A law from 1882, the **Chinese Exclusion Act**, stopped most Chinese workers from coming. Only some people, like merchants, students and children of U.S. citizens, were allowed in.

In 1906 an earthquake and fire in San Francisco destroyed many birth records. Some Chinese immigrants then came with papers saying they were the children of citizens. They were called **“paper sons”** and **“paper daughters.”**

To catch them, officers asked long **interrogations** (questions). How many steps lead to your front door? Where is the rice kept? A relative was asked the same questions. If the answers did not match, the person could be sent back.

At Ellis Island most people were done in hours. At Angel Island, many people were **detained** (held) for weeks or months, some for two years. The rooms were crowded and locked.

Some detainees carved **poems** in Chinese into the wooden walls. More than 200 poems survive. They tell about missing family, anger at unfair treatment, and hope for a new life.

A fire closed the station in 1940. The Exclusion Act ended in 1943. Today Angel Island is a state park and museum, and the poems are protected.
